Wonderful and classy apartment located in Jacopo Nardi street.

In Jacopo Nardi street, at the second floor of an elegant historical building, we offer for sale a beautiful apartment in an excellent state of conservation.

The apartment is spread over a net area of 230 sq.m divided into 8 large rooms around a large entrance hall of 28 sq.m where it is placed a working fountain, authentic reproduction of the "Putto with Dolphin" located in the courtyard of Michelozzo in Palazzo Vecchio. Besides that, a double living room divided by a door with inserts in handcraft glass and gold thread, one kitchen, three bedrooms in addition to a study of 19 sq.m, possible fourth bedroom, two bathrooms and two balconies, one on the main facade and another larger one accessible from the double living room and kitchen; the property includes two cellars.

An important quality of the apartment is the refined details such as parquet flooring, lead glass windows, stucco on the walls and ceilings. The condition of the roof of the building and the lateral facades and rear are in a perfect conditions, due to the recent renovation of the property.

The condominium assembly deliberated the installation of the lift.
